WHY PORTAL SCENIC

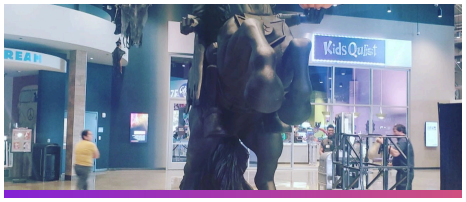

## EVERY PROPERTY HAS A STORY. WE BUILD THE ONE THING YOUR GUESTS CAN'T FIND ANYWHERE ELSE.

Portal Scenic is a custom scenic studio for places that sell an experience. Every piece starts as an original design for your property, and our team builds it from the first sketch to the final install.

**SKETCH TO INSTALL** Our team handles design, 3D modeling, fabrication and installation, so nothing gets lost between vendors.

FABRICATION

# INSIDE OUR SHOP.

Our 7-axis robot carves each piece directly from the approved 3D model.

### BUILT AT FULL SCALE

Large sculptures are carved in fewer sections, so seams are cleaner.

### TRUE TO THE DESIGN

What you approve in 3D is what arrives on site.

### DETAIL BY HAND

Our artists spend their time on texture, color and character.

## WHAT CLIENTS SAY

**DESPITE THE RUSH, OUR NEW SANTA PROP WAS OF EXTREME HIGH QUALITY AND EXCEEDED EXPECTATION.**
